Reg No : 192425206

course code : MLAO202

CO1 - ASSESSMENT TOOL-2

Concept Map

① Construct a concept map illustrating the complete ML workflow

for predicting house price, using suitable ML algorithm.

A.

1. identify key terms

Area, No. of bedrooms, No. of people, Square feet for each bedroom, price.

2. Relationship table

using supervised learning

Training data

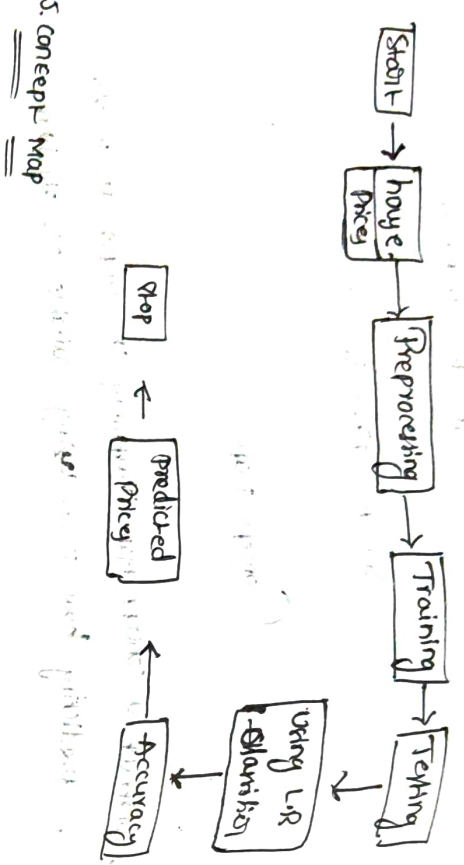

Linear Regression

3. Data set demonstration

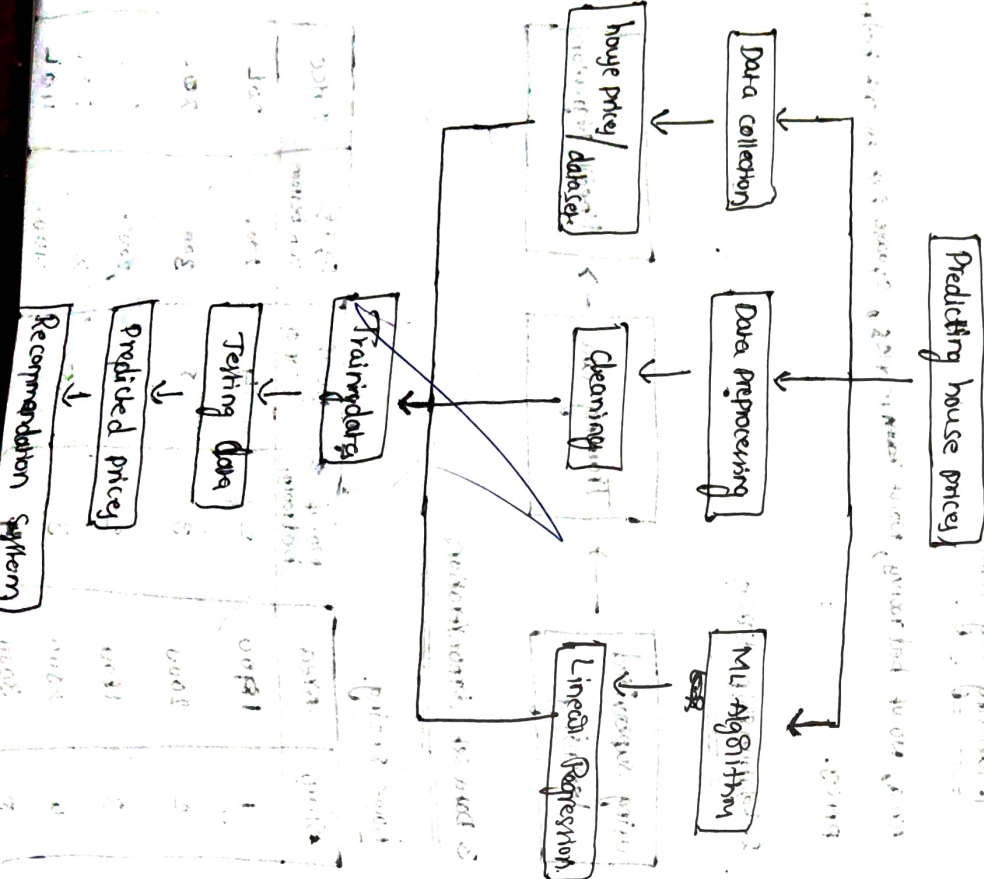

house pricing.

Sl. NO	Area	No. of bedrooms	No. of people	Sq. ft each bedroom	Price.
1	1800	2	4	200	20L
2	2000	3	5	300	30L
3	1800	2	4	200	20L
4	2500	3	5	300	35L
5	3000	4	6	400	40L

4. Data Flow Diagram

5. Concept Map

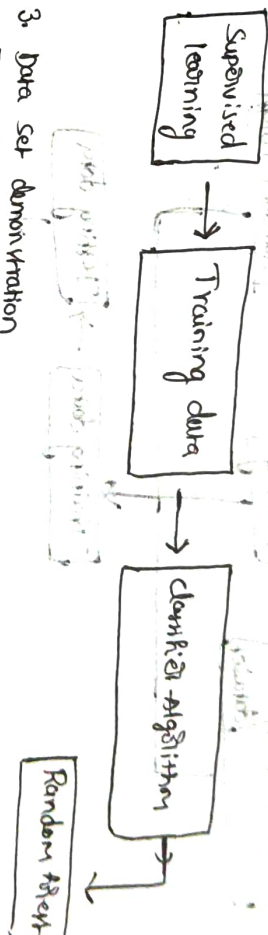

3. Medical disease prediction

1. Identity key words

1. blood sample
2. Testing lab
3. microscope
4. symptoms
5. Disease
6. patient
7. reports
8. Tests

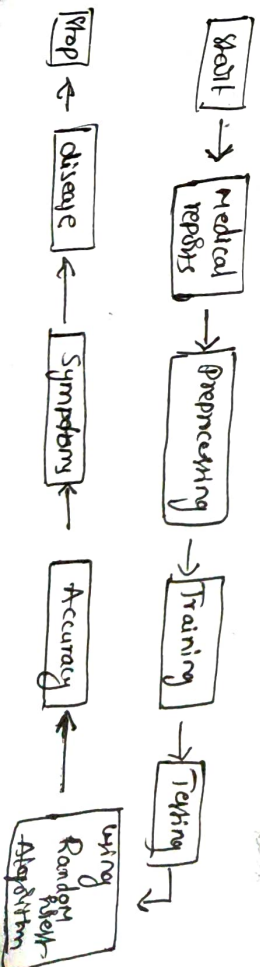

2. Relationship table

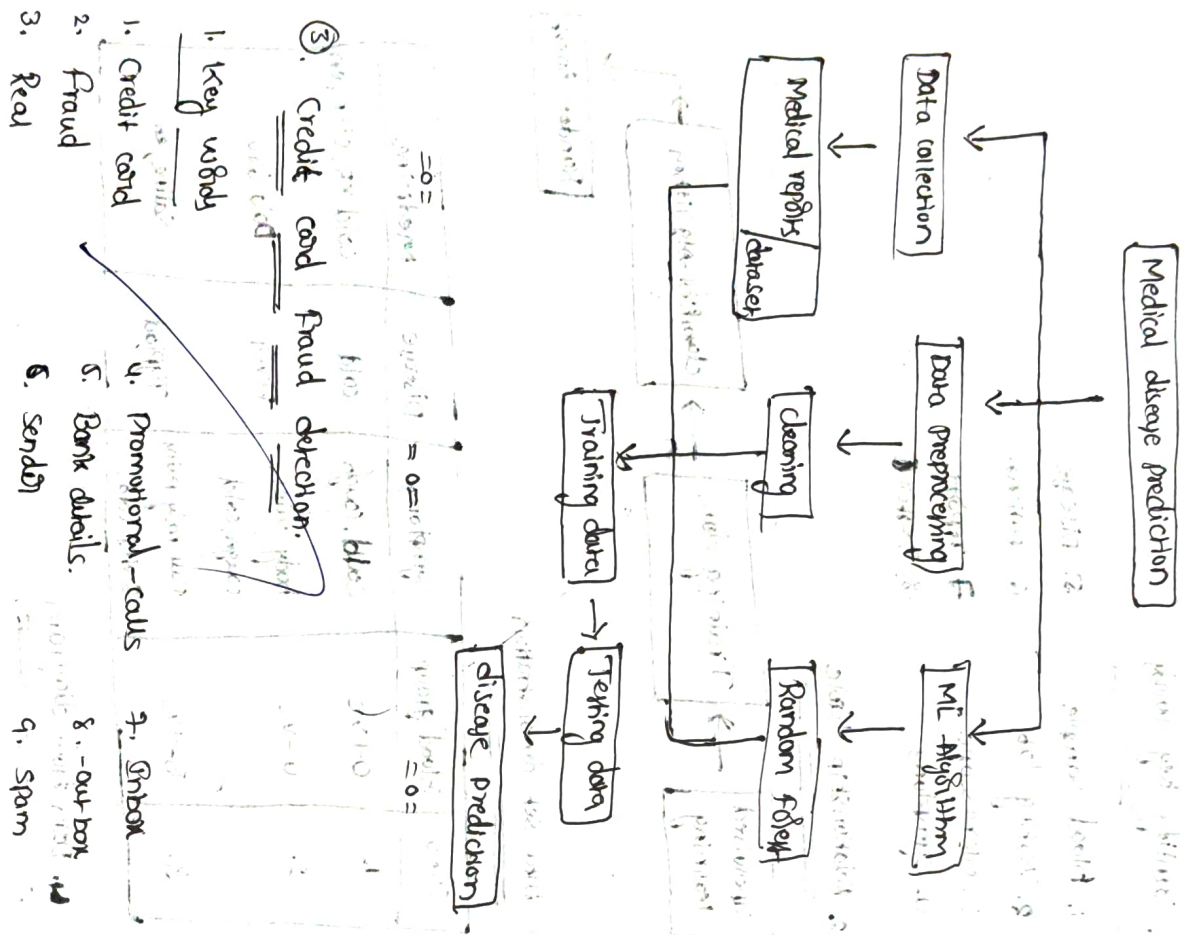

3. Data set demonstration

S.No	Blood group	Symptoms	Disease	Medicine
1.	O+ve	cold, cough	cold	cold xR, citrizen
2.	O-ve	body pain, cough, cold	Fever	Dolo 650
3.	B+ve	Full body pain, severe cold,	Typhoid	Saline, etc...

4. Data flow diagram

1. Concept map

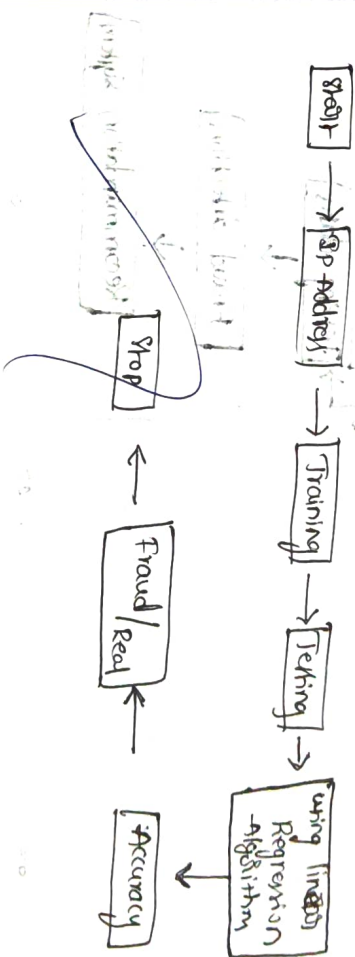

2. Relationship table

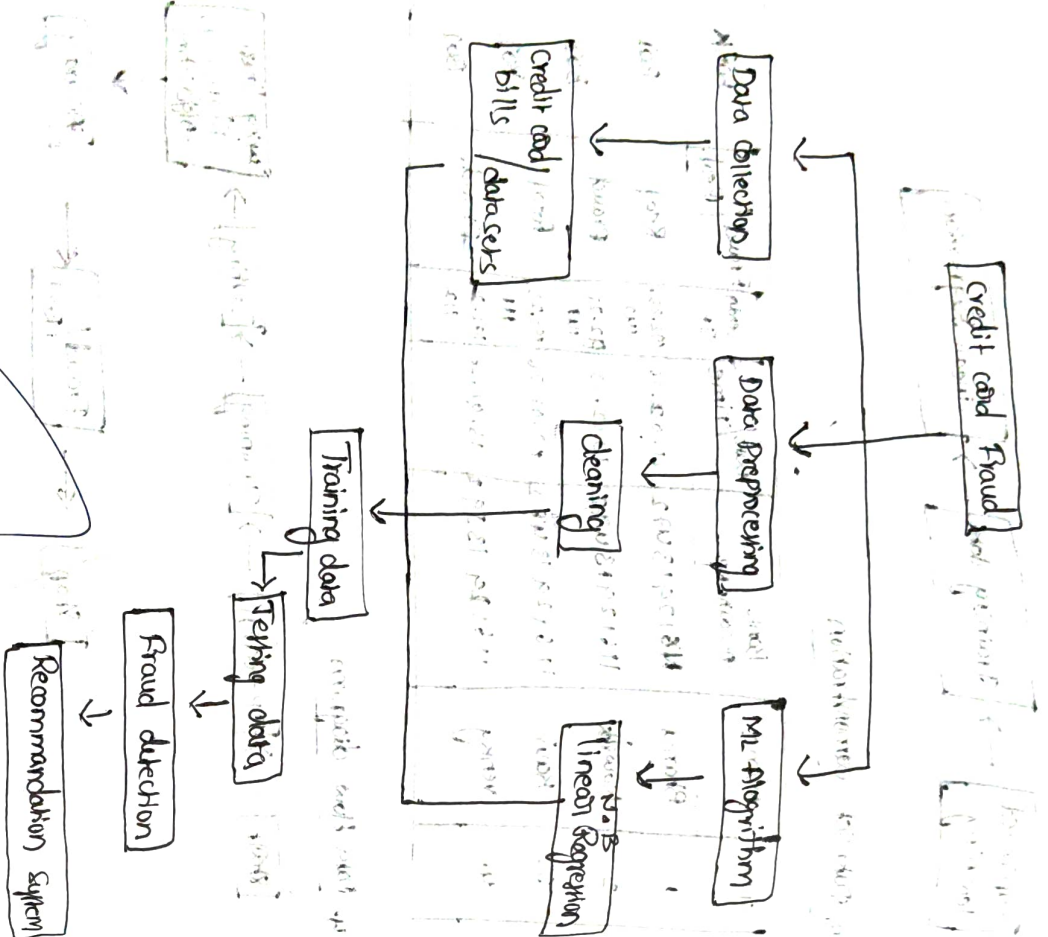

3. Data set demonstration

S.No.	Name	Bank Account No.	Date/Time	Send IP	Fraud/Real	Gender
1	Bhannu	11612913492	11.02.26	192.23.192	Real	Boi
2	Kauwika	11612913492	11.02.25	192.23.192	Fraud	Boi
3	Ravi	11612913492	12.02.26	192.23.192	Real	Boi
4	Venky	11612913492	13.02.26	192.23.192	Fraud	Boi

4. Data flow diagram

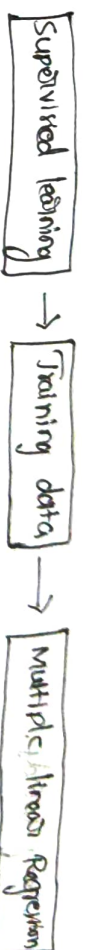

5. Concept Mapping

4. Student performance Prediction

1. Key words
2. Attendance
3. Student
4. Internal marks
5. Good/Bad.

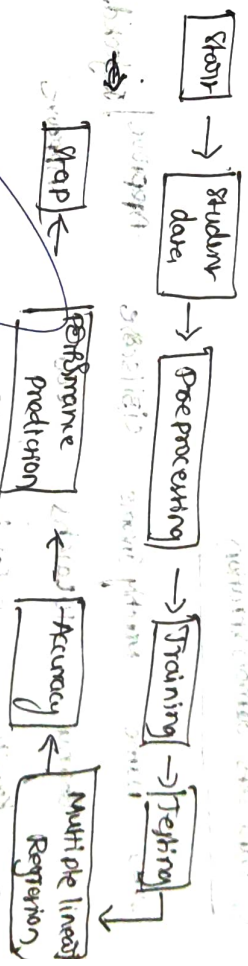

2. Relationship table

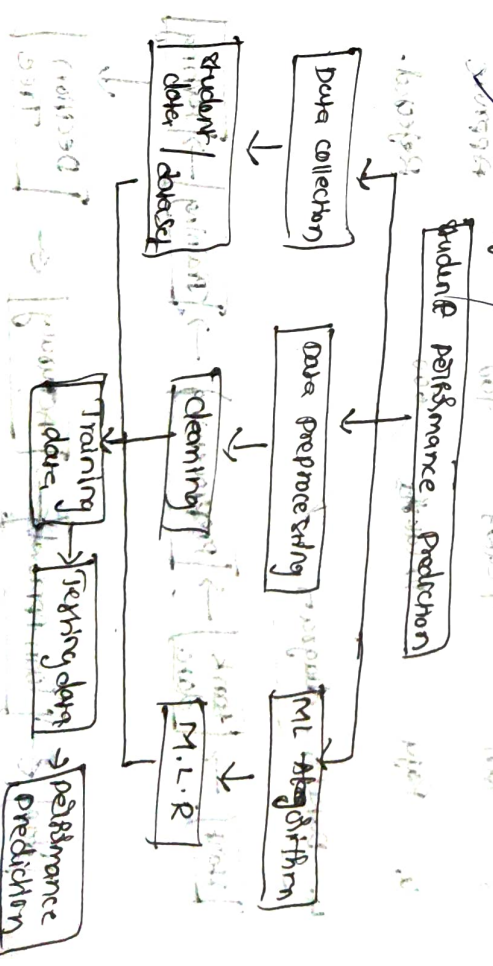

3. Data Set demonstration

S.No	Student	attendance	Internal marks	Examinatory behaviour.
1	Bhannu	90%	89	Good.
2	Ravi	70%	69	average
3	Kowalk	65%	50	average
4	Peju	50%	50	bad.

4. Data Flow diagram

5. Concept Mapping

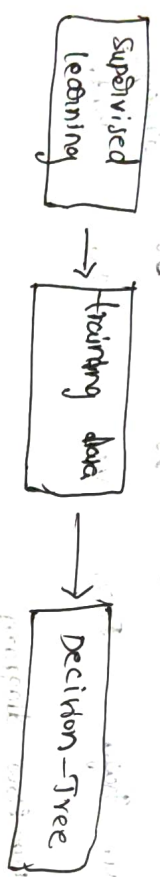

5. loan approval

1. Key words

1. Bank
2. documents
3. CIBIL score
4. property
5. monthly income
- 6.

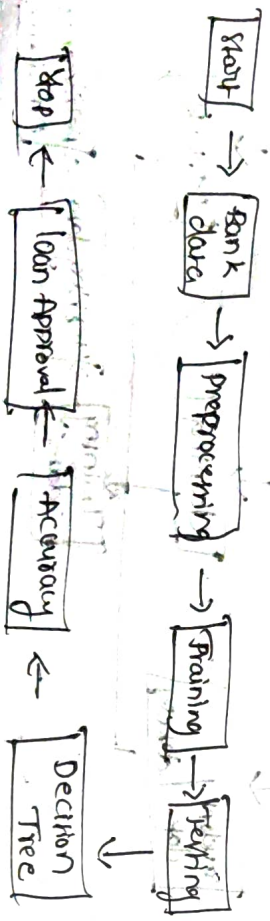

2. Relationship table

3. Data sets demonstration

S.No	Name	Monthly Income	CIBIL score	Approve / Rejected
1	Bhany	10 Lakhs	860	Approve
2	Kavik	8 Lakhs	750	Approve
3	Ravi	9 Lakhs	900	Approve
4	Rajy	10 Lakhs	600	Rejected

4. Data flow diagram

5. concept mapping
